Purdue President Daniels Visits Delta Delta

Purdue University President Mitch Daniels joined the men of Delta Delta for a steak dinner prepared by our very own chef Jon Gipson on Tuesday September 3, 2013.

President Daniels spoke on topics ranging from the plan to transition Purdue to a trimester schedule to the study abroad program. He also took time to answer questions posed by the brothers. Mitch stated that he was honored to have dinner at a Fraternity that has produced so many prominent Purdue alumni. While taking a tour of the chapter house, he was impressed with the number of Significant Sigs with whom he shared a personal connection.

It was a great honor to have President Daniels visit our chapter, and we hope to host him several more times in the years to come.
